

Warren Buffett: I've got I've gotten a lot of yeses when I've called people. But I've gotten a lot of nos, too. And I am tempted, because I've been calling people with a billion dollars or more, I've been tempted to think that if they can't sign up for 50 percent, maybe I should write a book on how to get by on \$500 million. Because apparently there's a lot of people that don't really know how to do it.

Since our story first aired last November, another 12 billionaires have signed the Giving Pledge.
