half a billion grinchs living on depp island sounds good. they can worsjip their idols there & stay out of whoville, puerto rico and africa

**Facts Drive Science** @artisticgenus

· 20 Dec 2015

and if the refugees dont want to live in the statue of liberty,, give to those loan sharks wanting their miney from puerto rico as payment

**Facts Drive Science** @artisticgenus

· 20 Dec 2015

bono surely needs some new glasses,,, but not at the expense of ruining the holiday cheer of the good oculus funding people of whoville

**Facts Drive Science** @artisticgenus

· 20 Dec 2015

yeah.. the zuck setting up some scheme to be the grinch and buy oculus,, when the people were proud of what they crowdfunded [#Jerkface](#)

dang piece freaks..

**Facts Drive Science** @artisticgenus

· 19 Dec 2015

gosh darn statue of refugees would be so much better than their glorious hebdo magazine

**Facts Drive Science** @artisticgenus

· 19 Dec 2015

all these billionaire globalists getting on twitter.. and im like.. oh u think u can glob? .. u seem more,like one of those piece nicks..

the genus has decided to take off the one closest to that dreamy yellow tape

**Facts Drive Science** @artisticgenus

· 17 Dec 2015

mmm.. at the moment.. the genus is satisfied with how this piece is shaping up.

**Facts Drive Science** @artisticgenus

· 17 Dec 2015

the genus has decided to go with orange stickers on the purple guitar.. gosh, i really cant stand purple..

**Facts Drive Science** @artisticgenus

· 17 Dec 2015

yes. the genus is too much
