If I take the 3/4 billion of US funds to the UN off the
top.. OMG..IT TOOK the hard earned money of FIFTY
COUNTRIES to remodel the UN.

I know the New York address is hip and all.But can't
these UN clowns meet on an abandoned oil platform
to save \$ to house and feed refugees?

WhenAlbertSaidFinite @TeryOfAkkad

One could build 1&1/2 burj dubais in Africa for the
price the UN spent on remodeling. It's no wonder
theyre short on foodmoney for refugees
